Dear Parents and Players,

Welcome to Spring 2011 Information/Registration meeting for the CHS Knights Lacrosse Club!

This year the registration package includes:

Commitment form (Sign and turn in)
Registration Form (Sign and turn in)
Consent Forms (Sign and turn in)
Equipment Form (Sign and turn in)
Application for Participation/Insurance Verification (Sign and turn in)
Medical Physical Form (3 pgs. Parent and physician must complete and turn in)
Optional practice pack and spiritwear forms.

Please complete (**PRINT CLEARLY** all information, especially your email addresses) and **SIGN** all forms. All players must have a physical prior to playing lacrosse and there is a medical form attached that must be completed and signed by your doctor. Please take care of this early – call NOW if you need a doctor's appointment. No one will be allowed to practice without this completed form on file! Be sure to include your insurance information that will be in effect for January 2011. If your child is playing a fall or winter sport, please indicate which sport your physical will be filed with.

US Lacrosse membership is optional for playing CHS Lacrosse, but it is a great source of information with a monthly publication and many other resources for the serious player. You may apply online or get more information at **www.uslacrosse.org**. If you are already a member, you are probably due for renewal and can do that online as well.

All forms, if complete, can be returned tonight, or you may turn the completed packet in to the main office by November 6th. Physician forms will be accepted through the end of the first semester. No player may practice without current medical forms. There are board members and coaches available tonight to answer any questions you may have

Thanks for your interest and participation. We are looking forward to the 2011 season with great excitement!
